

RECTORSEAL

PRESS-FIT ODOR CONTROL

SureSeal® Vent-Guard

provides odor control from grease interceptors and roof vents. Also eliminates roof vent blockages from nesting. • Can be used on older roof vents.

ROOF VENT & GREASE INTERCEPTOR ODOR CONTROL

Stop odors before they start.

FLOOR DRAIN ODOR & BACKWATER CONTROL

SureSeal® & SureSeal® Plus

allow drainage while quickly and effectively solving odor problems and bug infestation associated with infrequently used floor drains. Can be used in all commercial and residential floor drains and floor/mop sinks.

- Easily retrofitted to older drains.

SureSeal® Plus

Waterless in-line floor drain trap seal with backwater protection.

- Easily installs into any standard 2" or 3" drain.
- Seal out drain odor, bugs and also provides protection against drain backup.

SureSeal®

Standard waterless in-line floor drain trap seal.

- Easily press fits into a standard drain to seal out odor and bugs.

SureSeal® Vent-Guard

Controls roof vent and grease interceptor odors.

SureSeal®

Waterless in-line floor drain trap sealer.

SureSeal® Plus

Waterless in-line floor drain trap sealer / backwater protection.

Code	Description	Qty.
97065 (SS214VG)	2" Roof Vent	6
97066 (SS314VG)	3" Roof Vent	6
97068 (SS414VG)	4" Roof Vent	6

FEATURES

- Stops roof odors
- Stops grease Interceptor odors
- Stops roof vent pipe nesting
- Simple one-piece installation
- 3 press fit models 2", 3", 4"
- Economical

Code	Description	Qty.
97041 (SS2009V)	2" Drain Trap Seal	6
97042 (SS3009V)	3" Drain Trap Seal	6
97043 (SS3509V)	3½" Drain Trap Seal	6
97044 (SS4009V)	4" Drain Trap Seal	6

FEATURES

- Stops drain odors and bugs
- Simple one-piece installation
- 4 press fit models fit 2", 3", 3½", 4" drains
- Patented air relief valve
- Economical
- Saves water - eliminates need for trap primer

Patent No. 9010363 B2

Code	Description	Qty.
97045 (SS2009PLS)	2" Drain Trap Seal/Check Valve	6
97046 (SS3009PLS)	3" Drain Trap Seal/Check Valve	6

FEATURES

- Stops drain backup
- Stops drain odors and bugs
- Keeps water intrusion from entering building
- Simple one-piece ratchet installation
- Patented air relief valve
- Economical
- Saves water - eliminates need for trap primer
