

**SureSeal® Vent-Guard**

provides odor control from grease interceptors and roof vents. Also eliminates roof vent blockages from nesting. • Can be used on older roof vents.

ROOF VENT & GREASE INTERCEPTOR ODOR CONTROL

**Stop Odors** before they start.

FLOOR DRAIN ODOR & BACKWATER CONTROL

**SUPERIOR PRESS-FIT ODOR CONTROL**

**SureSeal®**

allows drainage while quickly and effectively solving odor problems and bug infestation associated with infrequently used floor drains. Can be used in all commercial and residential floor drains and floor/mop sinks. Easily retrofitted to older drains.

Patented memory hinge. Complete seal every time.

Patented pressure relief valve. Prevents air lock.

Press-fit gasket installation. No silicone needed.

Side hinge operation. Allows unobstructed flow in heavy drainage situations.
