

COIL-RITE™

Evaporator Coil Cleaner

[Description](#) | [Characteristics](#) | [Applications](#) | [Packaging](#) | [Instructions](#) | [Precautions](#) | [Specifications](#) | [Limited Warranty](#)

DESCRIPTION:

Coil-Rite™ is a low foaming, self-rinsing cleaner and degreaser for evaporator coils, mechanical equipment and air filters. Non-acid, non-fuming Coil-Rite™ removes grime, oil, grease and dust quickly and easily. No rinsing is required.

[Top of Page](#)

CHARACTERISTICS:

- Cleans grime, oil, grease and dust from evaporator coils
- Non-Acid
- Can be used indoors or outdoors
- Concentrated - dilute with water for economical use
- Self-rinsing
- Will not harm copper or aluminum
- Biodegradable

INSTRUCTIONS:

**READ ALL DIRECTION AND WARNINGS ON LABEL BEFORE USING
*CONCENTRATE***

1. Appropriate dilution with water is the key to effective and economic use.

For extremely dirty coils and equipment: dilute with 4 parts of water.

For cleaning all types of filters: dilute with 5 parts water

For a Continuous Maintenance Program: dilute with 5 to 10 parts of water.

2. Apply the diluted solution with the Stewart Hall™ Penetrator Sprayer™ or General Purpose Sprayer. Use a brush to help faster penetration for especially hard or encrusted dirt.

3. Allow 5 to 10 minutes soaking time before rinsing. On an operating evaporator coil rinsing is not required since the condensate will flush out all the loosened dirt and slime.

For additional technical information, call Toll Free 1-800-231-3345.

PRECAUTIONS:

FOR CHEMICAL EMERGENCY, SPILL, LEAK, FIRE, EXPOSURE OR ACCIDENT,

CALL CHEMTREC - DAY OR NIGHT 1-800-424-9300

CONTAINS: Organic cleaners and inorganic disperants. PRECAUTIONS: Avoid contact with skin and eyes. Use protective eye wear and protective gloves. Do not take internally. **FIRST AID:** For any overexposure, get immediate medical attention after first aid is given. **Eyes and Skin** - Flush with large amounts of clean water for at least 15 minutes. **Inhalation** - Remove to fresh air. Give oxygen or artificial if needed. **Ingestion** - INDUCE VOMITING. Only if conscious, give large amounts of water, then milk of magnesia. If unconscious, do not give anything by mouth or attempt to induce vomiting. Call a physician immediately. **FIRE AND SPILLS:** For fire, use water fog, CO2, foam or dry chemicals to extinguish. For spills, shut off ignition sources, ventilate confined areas and wipe up with absorbent materials to prevent footing hazard. **STORAGE AND HANDLING:** Store in cool place away from all food. Keep container upright and tightly closed when not in use. Do not reuse empty container. **KEEP OUT OF REACH OF CHILDREN.**

For additional information, refer to Material Safety Data Sheet.
