CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: January 2017

Void After: January 2018

Product: Solvent Cements

File No. 1796

Issued To: Rectorseal
2601 Spenwick Drive
Houston, TX 77055-1035

Identification: Labels are to contain the manufacturer's or supplier's name and address and tradename or trademark or both, "ASTM D2564", function of the material, cement type, procedure or instructions for application of the cement, lot number of batch, color, end use application, all required warnings and cautions and the UPC® certification mark.

Characteristics: Solvent cements and primers are intended for use with IAPMO listed PVC pipe and fittings. These products shall be used in accordance with the manufacturer's instructions, technical bulletins and labels and the requirements of the latest editions of applicable IAPMO Installation Standards and the Uniform Plumbing Code. Primers are required for PVC pipe and fittings.

DO NOT THIN THESE PRODUCTS
