

PRODUCT DATA SHEET

HYDREX™ A/C TABS
Air Conditioning Drain Pan & Drain Line Treatment

DESCRIPTION:

Hydrex™ A/C Tabs keeps drain pans and drain lines clean and free of debris. Controls odor, sludge, plugging and slime.

CHARACTERISTICS:

- Prevents costly water overflow damage
• Eliminates bad odors

APPLICATIONS:

Hydrex A/C Tabs is designed for air conditioners, humidifiers and refrigerators, in which odors control and water overflow from the drain pan is a concern. It can also be used in the commercial air conditioning units that are commonly found in motels, hotels, hospitals, nursing homes, schools, apartment and office buildings. Hydrex A/C Tabs are packaged in plastic bottle for easy use.

When used according to directions, it will keep your drain pans and drain lines clean. It will control the odor and sludge in the air conditioning system.

HYDREX™ A/C TABS

Air Conditioner Drain Pan & Drain Line Treatment

INSTRUCTIONS:

Start treatment by placing 2 tablets per one ton of air conditioning into A/C drain pan. Add 2 additional tablets per one ton of air conditioning every three months or whenever odor occurs. Hydrex™ may be more effective if the pan or reservoir is drained and cleaned before treatment.
