**Houston**--RectorSeal LLC, a leading manufacturer of quality HVAC/R tools and accessories, introduces the 3-in-1 Lineset Cover Cutter, an easy-to-use tool designed to cut air conditioning and refrigeration lineset covers. The 3-in-1 Lineset Cover Cutter cuts cleanly, and is recommended for lineset cover models: Slimduct® SD-77 2.75", SD-100 3.75", and Fortress® LD-92 3.5".

Equipped with the quick opening mechanism, the 3-in-1 lineset cover cutter is the labor-saving choice for cutting HVAC lineset covers at your desired length to fit the job. The safety stopper holds the blade at its needed positions without excessive force or touching the blade. The cutting process is safe, efficient, and cuts more precisely compared to the traditional methods of sawing or snipping.

Other features of the 3-in-1 lineset cover cutter include:

- Easy one-touch open/close
- Ratcheting closure

- Compact and light-weight
- Advanced corrosion resistance
- Safety hook
- Strong handles
- Stays in adjustment
- Highly durable
- and available from most HVAC wholesale distributors.
