PRODUCT DATA SHEET

3-IN-1 Lineset Cover Cutter

Description

The 3-in-1 Lineset Cover Cutter is an easy-to-use tool designed to cut air conditioning and refrigeration lineset covers. The 3-in-1 Lineset Cover Cutter cuts cleanly, and is recommended for Slimduct® and Fortress® lineset covers. It also works on other lineset covers available in the market.

Equipped with the quick opening mechanism, the 3-in-1 lineset cover cutter is the labor-saving choice for cutting HVAC lineset covers at your desired length to fit the job. The safety stopper holds the blade at its needed positions without excessive force or touching the blade. The cutting process is safe, efficient, and cuts more precisely compared to the traditional methods of sawing or snipping.

Applications

Designed to cut HVAC lineset covers. Recommended for residential and commercial HVAC lineset covers including SLIMDUCT SD-77 2.75" , SD-100 3.75", and FORTRESS LD-92 3.5".

Characteristics | Features

- Light-weight
- Easy one-touch open/close
- Advanced corrosion resistance
- Safety hook
- Strong handles
- Stays in adjustment
- Cuts cleanly
- Equipped with quick opening mechanism and safety stopper

Limited Warranty

RectorSeal, LLC makes the Limited Express Warranty that when the instructions for storage and handling of our products are followed we warrant our products to be free from defects. THIS LIMITED EXPRESS WARRANTY IS EXPRESSLY IN LIEU OF ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND OF ANY OTHER OBLIGATION ON THE PART OF RECTORSEAL, LLC. The sole remedy for breach of the Limited Express Warranty shall be the refund of the purchase price. All other liability is negated and disclaimed, and RectorSeal, LLC shall not be liable for incidental or consequential damages.

CAUTION

1. Do not use dull or broken blades.
2. Wear eye protection for your own safety.
3. Be careful not to get fingers caught in moving parts.
4. Keep fingers and hands away from the blade.
5. Never use the tool for any purpose other than cutting ducts.
6. Do not cut any duct apart from the designated size.
7. To avoid ducts from cracking at low temperatures, cut the ducts very slowly or after heating the duct with hot air.
8. The duct edge may be slanted depending on the angle of the cut.
9. Do not throw or drop the tool, as this could damage the blade receiver body.
10. Keep this tool out of the reach of children.
11. Neither RectorSeal nor its affiliates shall be liable for any accident or injury as a result of misuse or abuse of this product or unauthorized modifications, repairs, or alterations to this product, or failure to comply with this instructions manual.

⚠ DANGER

Never use on or near live electrical circuits.

⚠ WARNING

Always wear safety glasses when cutting.
Always wear gloves while using the tool.
Blades are sharp. Keep hands and fingers away from blades.

	⚠ WARNING
	Keep hands and fingers clear of blades. Failure to observe this warning could result in severe injury or death.

	⚠ WARNING
	Wear eye protection when operating or servicing this tool. Failure to wear eye protection could result in serious eye injury from flying debris.
